

## 2023 ONLINE LIVESTOCK ENTRY

When you enter the online MARTECH system through the link at [www.bloomsburgfair.com](http://www.bloomsburgfair.com), you will be prompted to create a user ID and password if you do not already have one for this year's fair. Make sure you are in "**Livestock**" and not "**Agriculture**" from the fair website. You may enter for yourself or for a group, just select the correct prompt. Please remember your password and user ID. You may want to write it down and keep it in a safe place. **User IDs from the previous year's fair will not transfer to this year's fair.**

### ALL EXHIBITORS:

County code is a required entry. All Columbia County exhibitors enter "19" and all other county residents enter "00." Group entries are permitted – ie., one person can enter for multiple family members and pay one time for everyone.

Family Farms should enter their names so they print properly on checks. For example, Smith Family Farms would enter as first name "SMITH" and last name as "FAMILY FARM."

### OPEN ENTRIES & 4-H BREEDING ANIMALS:

All exhibitors must enter all of the "required" information for each entry or your entry will not be accepted. If you have registration papers that are "pending" that will be your registration number. Group entries have animal name "not required." You do not need to enter any information that is "not required," it is optional. A comment section is included for all entries. You may use this space for animal names, stall requests or other comments you need to make to the director.

Remember to enter showmanship classes if they apply to you.

### 4-H MARKET ANIMALS:

Market animal entries are entered under class 99 in the appropriate department and section. There is no animal name option for 4-H market animals. HOWEVER, there is still a comment section, and we would like you to place the animal's name in the comment section FIRST, followed by any other comments you may need to make on your entry. You MUST enter the TATTOO/EAR TAG #. This is your BLF #- the Bloomsburg Fair tag that is in the animal's ear. You MUST also enter your animal's RFID # in the National ID space. All market animals should have a tag from the Bloom Fair tagging. You may only enter 2 market animals per small species. Dairy beef you may have a feeder and finished animal if feeder was entered in fair from previous year. Columbia & Montour county members may have a beef and dairy beef project to be entered.

Market animal exhibitors must also enter the appropriate pairs/group classes, bred and owned classes, and showmanship classes.

### CAMPERS:

There is spot in the system that you may input a regular camper or a slide-out camper to choose from. In the comments space you may list the length of your camper.

### CONTACT INFO:

If you need help with the online system you may contact Debbie Midkiff at (570) 284-4312. If you have questions regarding show rules, how many animals may come, etc., please contact the Livestock Director, Jeff Giger at (570)784-8197.
