

# KEYSTONE STATE CHALLENGE ACADEMY

Academic Excellence ★ Responsible Citizenship ★ Life Coping Skills  
Leadership and Followership ★ Job Skills ★ Health and Hygiene  
Physical Training ★ Service to the Community

## Our Beliefs

We seek to provide a fresh opportunity for high school students (age 16-18) to find renewed successes outside of their current school setting by improving their educational standing and their potential for employment or further education.

## The KSCA Difference

We offer a supportive educational environment built around the foundation of our eight core components and reinforced through a structured training and learning experience.

## A TUITION-FREE Option Providing:

- A safe and structured learning environment
- Study skills, career preparation, and life skills
- Tools and self-discipline for future success
- Training to improve physical and mental stamina
- An individualized post-residential action plan as a path to future success.
