

We are glad you are entering the Bloomsburg Fair Livestock Contests. This year you have the option to mail in your entries or try our new ShoWorks Online Entry System. The online entry system does not use exactly the same Division numbers that are printed in the premium book, but this is easy to figure out. Our online numbering system uses the department number (dot) division number, followed by a description. For example, Open Beef Cattle are department 2 division 34 and 35. In ShoWorks, look for 002.30 Open Beef Cattle. Additionally, online the departments are broken down into smaller sections so the division you are looking for is easier to find. For example, we have department 002 Open Dairy Cattle; department 002.3 Open Beef Cattle; 006 Open Dairy Goats and 006.28 Open Boer Goats and all 4H Market animals are listed under the department **4H Market Animals**.

Good Housekeeping and Showmanship are included in the divisions. Please remember to sign up for these items. 4H Breeding Sheep Showmanship is included in the 4H Market Lambs Division, 10.70.

There are two additional breeds of sheep added this year, both in Open and 4H, and an additional breed of dairy goats also in Open and 4H classes. Also, all breeding sheep entries must indicate a "Sex" in the appropriate area. There is a drop-down menu for this.

Remember that **ALL 4H Breeding Livestock must also sign up to show in the Open classes**. While the 4H entry is free, there is a cost to sign up in the Open classes. All 4H Market Animals entries must include the "BLF" number in the area allotted for "TAG" number.

There are limits to how many breeding animals may be shown by 4H members in the 4H classes. Please refer to the premium book for these limits.

There is an option to sign up for a camper pass (if you meet distance requirements). If you are unsure about meeting the requirements, call the Livestock Director, Jeff Giger.

If you have question about using the ShoWorks entry system, call Debbie Midkiff at 570-594-7190. Leave a message or send a text if there is no answer.

When you have successfully completed your online application you will receive a receipt. If you do not have a receipt, you did not fully check out and are not entered at our Fair. Check your cart (just like Amazon) and try again. Please bring your receipt to check-in, along with your Veterinary paperwork and registration papers for breeding animals.
